Dr. Ron Clavier is a well-respected speaker at schools and meetings across Canada. Dr. Clavier is a consulting clinical psychologist, a neuroscientist, a former research consultant in psychiatry at the University of Toronto, and a former consultant to the Council on Drug Abuse. He is the author of the best selling book, “Teen Mind, Teen Brain”, which examines the neurological changes in the brain that underlie the emotions of many young people. His television series “Adolescence: The Stormy Decade” was broadcast until 2007. He devotes significant time to his passion of oil painting.

“Parenting teenagers is a tough business. You want to protect your kids and help them, but you don’t understand them. What goes on in their brains is beyond you.” Dr. Ron Clavier.

***Sunday Evening Forum is a community Forum to discuss current issues that affect
our lives and faith. The public is warmly invited.***
